BASIC THESIS FOR THE UNDERSTANDING OF SATANIC SONGS

Darkness, the abyss is the world of unspiritualized creatures, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of SOCG¹. This is an image of the evil of our world. In some cases, it will mean the opposite meaning, because it is the evil of darkness that gives rise to hell, vengeance and Satanists. "Children of darkness" in this case means Satanists. Also, the image of darkness can mean hell for the forces of evil. The image of darkness and the abyss is an important and meaningful term in Satanism.

Light is Satan, Lucifer. Light is Satanism and satanic spirituality, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the tamer of evil in our world and in hell

Sadness, grief, regret is an indication of the understanding that evil has engulfed the whole world and a Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate creatures, SOCG and religion. This is the definition of the term specifically for Satanism and for Satanists. Also, these images can represent ordinary human emotions towards people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in hell. Unspiritualized creatures, leaders of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Returning the earth and returning freedom to people - this image is important for all Satanists. It means the overthrow of all SOCGs and religions, the cleansing of the earth from unspiritualized creatures, from their stupid and senseless evil. This is an image of the cleansing of planet Earth from states and their totalitarianism.

Night is an image of what a Satanist in the world of evil of our world is almost groping. The light for him in the night is his satanic spirituality. Darkness deepens at night and light is needed most at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in navigating, acting, and living without light.

Lost, abandoned and abandoned - this image in Satanism means that Satanists are no longer in hell and that Satan and the forces of hell are not directly accessible to them. Only through satanic spiritualization. This also means that in our world Satanists do not have their magic to instantly destroy evil, as in hell, in Satan's native dimension.

This album is a puritanical version of SatanArt album #1, which is intended for distribution on online platforms that prohibit porn, erotica, penises, vaginas and other non-puritanical aesthetics. The prudish rules of many sites and video hosting sites prohibit nudity, so Bitch Sodomy will be making special versions of SatanArt's satanic art collections, which I call the "Puritan Edition of SatanArt." I will note in the document images that have been replaced with more innocent counterparts, but remain consistent with the theme of the album. "Puritan publications" are needed by gay Satanism for publication on popular Internet sites that have censorship and Puritan rules. This is a forced decision, because there are no valid reasons to prohibit children or pious old ladies from watching erotica or pornography ♦ . The sanctimonious puritans prohibit this on their websites and even Satanists have to adapt to their moral perversions in order to promote Satanism. **In the "Puritan Version" the following images of the original version of SatanArt No. 1 are replaced: 8, 9, 11, 14, 15, 19, 25, 27, 31, 35, 38, 39, 45, 55, 59, 96, 97. Total changed 17 images.**

PREFACE

By releasing collections of satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt No. 1, I am starting an irregular and periodic publication of graphics of gay Satanism for Satanists and all spiritualized people of our world. The first theme of the art album SatanArt No. 1 from Slut Sodomia will be dedicated to the classical image of Satan-Baphomet and canonical Satanic icons.

Can there be classical images and any canonical images in Satanism? If you think about this question, you can say that in gay Satanism the classical images and canons of Satanism are not provided ♦ . Therefore, I will use

this term to denote the following satanic graphics and paintings:

1. The most famous and popular images from the field of Satanism, according to the subjective opinion of the Antichrist Slut Sodomia.
2. The highest quality images from the field of Satanism, according to the subjective opinion of the Antichrist Slut Sodomia.
3. The most interesting images, according to the subjective opinion of the Antichrist Slut Sodomia.

As you can see, in fact, there are no canons and no classical images. This is just my personal perception of artistic graphics, which I attribute to satanic. However, Antichrist Slut Sodomia hopes that these images will become an additional tool for the satanic spiritualization of a large number of people around the world, through mental immersion in the spiritualization of Satan, through visual images.

I believe that visual paintings, just like music, can enhance immersion in Satanism and give Satanic spirituality to people of different ages and nations. These are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists are working in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a massive emergence of excellent works about Satan, Satanism and Satanists. In literally two decades, there has been a rapid birth and development of the modern art of Satanism. The computer, graphics programs and digitalization of art played a very important role in this. I think that in the future, artificial intelligence and neural networks will also become assistants for many artists of Satanism.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images². Anthropomorphism is a worldview concept expressed by nominative means of

² <https://ru.wikipedia.org/wiki/Аллегория> Allegory. Wikipedia, the free encyclopedia. Page viewed date 06/13/2024

language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional³.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the GOPG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the GOPG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container⁴. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format⁵.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism

for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2024, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ⁶. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document,

⁶ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you.

Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs

QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums⁷. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.

- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”⁸. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

I dedicate the collection-album SatanArt No. 1 to our Teacher and Spiritualizer Satan and all the forces of hell. Therefore, the theme of the first release of the SatanArt album is: The classic image of Satan-Baphomet and canonical Satanic icons. There is little pornography in this episode. I focused mainly on icons depicting Baphomet. I added some images of Satan with sexual lust to the SatanArt issue #1 for added interest. The set includes dark Baphomet icons, cute Baphomet images, scary Satan images, and beautiful Satan images. However, for each person the paintings will evoke their own feelings. Please note that these are not just ordinary feelings, but a visual method for accelerating the acceptance of Satan or a method for immersion in Satanism.

⁷ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

⁸ This is Satan's phrase. Our Spiritualizer says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized creatures of evil who do not have satanic spirituality. And does not apply to mentally ill people.

Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art ♦ , without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism "Gay Lust." This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" ("Gay Lust" in English) is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire "Gay Lust" is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism "Gay Lust" on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money⁹ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁰.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the evil SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and

Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁰ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 💎 .
